

POSTPONED: CEONET RETREAT | DETROIT | APRIL 3-5, 2020

Statement Release: Thursday, March 12, 2020; 3:00 pm EDT

Dear CEONet Community,

Due to rapidly escalating health concerns relating to the spread of COVID-19 (coronavirus), CEONet has decided to postpone the 2020 retreat that was scheduled to take place April 3-5, 2020 in Detroit, MI. The decision to postpone the CEONet Retreat was not taken lightly. We recognize and acknowledge the inconvenience this postponement may cause. However, this decision was made out of concern for the health and well-being of our attendees, staff, and the Detroit community.

As we begin the work of rescheduling the retreat, the impact to our CEONet community front of mind. You can expect to hear from us in the next two to three weeks with a new date and further details regarding the rescheduling of the conference. In the meantime, we encourage you to reach out to us at ceonet@cfunitedconference.org with your questions, comments and concerns.

On behalf of the CEONet Retreat Organizing Committee, we appreciate your patience and understanding as we work through our plans to reschedule the retreat. We look forward to seeing you later this year. Providing an opportunity for our network of CEO's to gather, share ideas and explore the role we play in our communities is more important than ever.
